THE REPORT welcomes manuscripts of OHIO material for proposed publication. All manuscripts should be sent to:

THE EDITOR, 4649 YARMOUTH LANE, YOUNGSTOWN, OH 44512

The manuscript should be typed on standard-sized paper and have the author's name on each page; the pages should be numbered. A cover letter, giving permission from the author to publish the material in THE REPORT, should accompany the manuscript.

When sending photocopies of original old manuscripts, such as handwritten Bible records, please send a typed transcript for us to work from; it is usually much clearer on the original in your possession than on a photocopy.

The types of records requested for publication include Bible records, Ohio county court records (marriages, deed abstracts, naturalizations, will abstracts or other), Ohio cemetery inscriptions (not alphabetized), "How-To" articles (the use of special collections, holdings of a particular repository, etc.), abstracts from Ohio newspapers, brief family genealogies with Ohio connections (fully documented) and other material of an unusual but useful nature. The Editor makes the final decision on material to be published. Following publication, all original material is placed in the Ohio Genealogical Society Library in Mansfield. Every effort is made to present authentic material, but the Ohio Genealogical Society cannot be responsible for the accuracy or the publishing rights of the material furnished by contributors. All material is published with the permission of the contributor.

SCIOTO COUNTY ADOPTIONS, 1862-1900

*

These valuable records have been abstracted from Probate Court records in Scioto County. Although there is much argument about making such records available to interested researchers, many people feel that the so-called "Ohio records law" was never intended to close retroactively the early records which were entered in Probate Court Journals, along with other legal matters. As a matter of fact, in January 1987, Franklin County Ohio Probate Records were closed temporarily, by the Ohio Historical Society (where they are housed), because they contained sensitive material such as adoptions and insanity cases, comingled with other probate matters. Obviously, they were not intended to be "secret" at the time, or they would have been kept in separate journals. Ohio law is not clear on this point, and many Probate offices will not allow public examination of these records, regardless of their age. The Franklin County Probate Judge ruled that the records must be reopened because the records were comingled.

Many people feel that records which were not closed at the time of creation should not be closed retroactively by current laws. In fact, adoption, insanity and juvenile delinquency cases can be found in local newspapers published at the time the events occurred. And, newspapers are certainly "public records"...

Additional information on the law regarding adoption records in Ohio [Chapter 3705.18 Ohio Revised Code] will be found in THE REPORT 26:2:80, in which that law states that persons born prior to 1 Jan 1964 may have access to their records. Based upon this law, genealogists should have access to the early records, at the very least.

The records presented here contain (1) the child's original name, if given, and (2) the child's adoptive name, as well as the filing date and the Probate Court case file number. Also included are four cases of "heirship" found in the same records.

1803 LETTER FROM PALMYRA, PORTAGE COUNTY

*Helen L. Harriss, C.G.

David Daniels and Lucina (sometimes Lucinda) Meigs were married 29 Aug 1793 at Canaan CT, she being a first cousin of Return Jonathan Meigs, well known in Ohio history. David Daniels was the son of John & Rebecca (Moxley) Daniels, David dying at Palmyra, Portage County, on 13 July 1813. His wife survived until 23 Jan 1849. The submitter is a descendant, and the letter is preserved by the family.

According to PALMYRA, MY OLD HOME TOWN, by Harley A. Tuttle (1930) p.15, "the first settler, DAVID DANIELS, arrived in June 1799, locating on lot 21, 3rd Division, one and a half miles south of the Center." In the HISTORY OF PORTAGE COUNTY OHIO (Chicago: Warner,Beers & Co., 1885) p.232, the Connecticut Land Company, gave David "100 acres of land to go to Palmyra Township, make a clearing and build a cabin, which he accordingly did. He put in a small crop of wheat, which was duly harvested the following season, and after threshing his crop, carried a bushel of the grain on his shoulders to Poland, about thirty miles away, had it ground and returned with it to his humble cabin. Daniels was a soldier in the Revolutionary Army and died in 1813, having been highly respected. He was the first Justice of the Peace of Palmyra Township after its organization." Page 495 of the latter history lists their children as Electa [m Jabez Gilbert], Frederick, Horace, Orville, Harvey W. and Almira. More information on the Daniels (aka McDaniels) family will be found in THE RECORDS OF THE SEPARATE CHURCH by Rev.Paul Park, 1747-1800, at the New London County CT Historical Society.

In 1803, David wrote the following letter to his brother Jonathan Daniels in Canaan, Connecticut.- While the letter itself does not contain a great deal of genealogical information, its very early date makes it a document of historical interest.

Palmyra, October 31, 1803

Dear Brother,

In my last letter to you I gave a sort of Geografical Discription of Mahonon [Mahoning]. Some other waters of our country I am unable to determine whether it afforded you any amuzement or not as I have never had your answer. But, not withstanding I will venture to continue the account. Should it weary your patience I hope it will induce you to write me that I may desist.

The Cayohauga, a stream about the same size of the other, rises in several branches at no great distance from the Mahonan but takes almost an opposite direction & runing Northernly discharges itself into Lake Erie. This stream is the boundery line betwixt us & the Indians. On its bank _____ are visible. Signs of a large Indian Town across which ground runs an old path. I am told that it begins at Sandusky, the Capital of the Six Nations & altho it has not been travelled since the conclusion of the Late Indian War. Yet it is very Intelligible as far East as Parson's Salt Springs upwards of one hundred & fifty miles distance. This path runs across the town in which I live. In many places it is great hard ground fifteen inches below their surface by mere dent of Mokison. This is something of a Curiosity. The main direction of this path is nearly strait altho to avoid swamps old logs & other impediments it is very crooked it truly verifys the old proverb of as long as an Indian path. Consider then the remarkable faculty these people have of traversing the wilderness.

I mentioned to you that a change of government was then contemplated which has lately taken place. We are admited into the union as an Independant State by the Name of Ohio. We are divided into several countys and this tract of contry known to you by the name of New Connecticut is one of them. Trumbull is our name.

We have a tolerable wholsom Constitution. We are allowed the privalige of appointing all Civil Officers except judges of courts & Sherieffs we send from this county two representatives & one Senator to the Assembly. Our Seat of Government is at Chilicotha a considerable of a town situate a considerable distance down the Ohio River.

But I will now dismiss political & geographical topics that I know little about & turn to my own domestic affairs.

We have with very few exceptions enjoyed our health since I wrote you last. I have been tolerable Successfull in the pursuit of my business. I have been enabled to make what my neighbors call a handsome Improvement on the Land of which I now hold a clear deed. I have increased some in stock & am able to raise my own provisions.

I have a considerable more grain this year than my Family in a common way will make use of & more hay than my stock will require. Should the winter prove favorable & don't ridicule it too much as being a new country story if I tell you that we are in comfortable circumstances -- but all this is not the best of it an adition to our family. What four children & me in the woods too yes & three of them boys. What in the world will David do now you will all say but never mind it is in a new country remember room enough & if they live they will all make good Log roolers.- My wife has been whimsical enough to give the new comer a romantic name Orvill, to be sure because she has heard that there was once a great man of that name.

Now I think I must take you into the hand less a little for neglect of duty almost five years since we have seen each other & I have not seen your name but once on paper. I have thought for several months that you had either forgot me or were dead but hoping for the best I have undertaken to write once more but I think I may reasonably conclude it is your turn next.

Don't my dear sir forget me because I am so far from you. Do write me a long letter the first time you have an opportunity & let me know how it is with you all in particular whether our aged mother is living and how it is with her. O I wish you not to fail in sending to her imediatly on receiving this letter. I would have written particularly to her could I have done it conveniently but I conceive that it will answer nearly the same purpose if she can hear that we are well. It is the least I can do for her & don't fail of sending my most dutifull respects.

I have heard nothing in particular from Mr.- Daball or of his family since I have been here tell them if they live near you that I should be very glad to hear from them by way of letter. I confess I have not wrote to them but the letters I have sent to you would like an Almanack answer indifferenting for you all.

The drowth has been very severe the season past in these parts but I cannot say that the crops of grain have been materially damaged thereby with us tho I am told that they were in the country around us but the grass has suffered very considerably.

It has as usual been very healthy among us this summer I had almost forgot to tell you that our youngest child is near fourteen months old. Please to give our respects to all both Connections and enquiring friends.

And in every point I remain your sincere friend & brother, DAVID DANIELS.

MINORS REMOVED FROM EMPLOYMENT BY THE OHIO INSPECTOR OF WORKSHOPS, FACTORIES, AND PUBLIC BUILDINGS: 1890

James L. Murphy
The Ohio State University Libraries
Columbus, Ohio 43210

Ohio was an early leader in the passage of child labor laws, and an 1890 law to prevent the engagement of minors under 16 years from employment "whereby their lives and limbs may be endangered or their health injured, or their morals depraved" is responsible for the removal of some 563 minors from their workplaces during the year following the passage of this law.

A list of these children was published in the 1891 report of the State Inspector of Workshops, Factories, and Public Buildings, arranged by inspection district, city or town, and factory. While the genealogical information contained in this list is meagre, consisting solely of the age and geographical location of the minor (along with employer and type of employment), the destruction of the 1890 federal population schedules for Ohio does render this list of some value. It should be borne in mind that not every factory in the state was inspected each year; also, minors in occupations not deemed hazardous to their life, health, or morals were not affected and, therefore, were not listed.

I have alphabetized the list by name, abbbreviated a few company names, and made a few minor changes in the description of type of employment, for reasons of space. Also, the ages of two persons are given a little more precisely (Lizzie Clough, 15 1/2; William Wanger, 13 1/2) than most; but, we do not know precisely when the inspections were made. The subsequent several annual reports of the State Inspector continue to include the names of minors who were removed from the workplace under this law, although the number rapidly dwindles, and the names are not listed together but simply included along with other violations, and I have not bothered to abstract these few names.

THOMAS LYONS BIBLE

*Mrs. Robert C. Baxter

This family bible was published by Jacob Johnson and Kimber, Conrad & Co., Philadelphia, 1807. The bible is now owned by Kenneth R. Baxter, East Liverpool, Ohio, and was found among the papers of Amanda Lyons Baxter (1846-1937). The bible record gives names of only 7 of the 15 children born to Thomas Lyons by two wives. Other information has been taken from various sources, including Carroll Co OH probate records, tombstones, and History of Carroll and Harrison Counties by Eckley and Perry, v2 p1034-1035. This history states that Thomas & Eliza Ann had 11 children: Jane, John, William, Katharine, Mathew, Margaret, Walter, Thomas, Mary Ann, Cyrus and Elizaelen, who died aged 6 years. The children of the second marriage are: Nancy Jane, Elizaelen, Amanda and Emma.

Additional information: by Leonard R. Kyle

Joshua Kyle was born in Westmoreland Co PA, but he lived and died in Mahoning Co Ohio in 1844. During his life he was a private in Capt. James Heslip's Company of the Ohio Militia during the War of 1812. Perhaps this is why there is a little confusion now about the name of William Henry Harrison Kyle among his descendants. Joshua Kyle and his wife Mary Stewart Kyle, had twelve children and many Kyle descendants. Child number seven was my ancestor ROBERT who was born in Mahoning (then Trumbull) Co in 1805. Robert's fifth child was William Henry or William Henry Harrison Kyle who was born Oct. 8, 1836 in Mahoning County. This Kyle should not be confused with the tenth child of Joshua & Mary who was named William Henry Harrison Kyle when he was born in 1812. This William H.H.Kyle married Mary A. Leach and died in 1879.

There is documentation to suggest that both Kyles listed above could claim the name of William Henry Harrison Kyle although most of the time the son of Robert, born in 1836, used the name of William Henry Kyle most of the time. In my possession are three interesting facts to support this supposition. (1) The family Bible of William Henry Harrison Kyle, born in 1836, has William H.H. Kyle embossed in gold on the front cover. (2) The certified copy of the marriage record of William H. Kyle and Mary Hill on May 16, 1867 omitted Harrison. (3) A certified copy of the death certificate named the deceased as William H.H. Kyle, the informant having been Arthur Kyle, his son. Thus it is probably safe to assume that two William Henry Harrison Kyles did live in Mahoning County. Fortunately, they were a generation apart, and with care, may be separated for research purposes. The older was the uncle of the younger.

HUTCHIN-BRELSFOARD CEMETERY

Wayne Township, Butler County Ohio

The Hutchin-Brelsfoard Cemetery is located in Wayne Township, Range 3E, Town 3, Section 13, 0.7 miles east of Jacksonburg on State Route 744 and 0.4 miles south of that road (via a private lane, not accessible by car). The land, 52 feet square, was set aside for a grave yard by Thomas Hutchin in 1639 (Butler Co Deed Book 7 p35 & 88). It has also been identified as the Briedenbooker Cemetery; a Breitenbecker family owned adjacent land in more recent years. Both the terrain and marker fragments indicate more burials than can now be identified. Inscriptions copied and modest restoration undertaken in 1984 by Marilyn Jacoby Edwards.

THE CHURCH OF CHRIST IN BOARDMAN WAS PLANTED BY THE REVEREND JOHN FIELD, MISSIONARY FROM CONNECTICUT, MAY 28TH AD 1813, UPON THE FOLLOWING CONFESSION & COVENANT AS APPEARS FROM LIVING WITNESSES.

BOARDMAN, AUGUST 9TH, AD 1813 ATTEST NATHAN B. DERROW, V.D.M., CHARLES A. BOARDMAN, SCRIBE

CONFESSION OF FAITH: YOU BELIEVE THE SCRIPTURES, BOTH OF THE OLD & NEW TESTAMENTS TO BE THE WORD OF GOD & THE ONLY RULE OF FAITH & PRACTISE. YOU BELIEVE THE CHATICHISM OF THE ASSEMBLY OF DIVINE'S THAT IS IN COMMON USE AMONG US (SO FAR AS YOU ARE ACQUAINTED WITH IT) TO BE AGREEABLE TO THE WORD OF GOD. YOU BELIEVE THAT THERE ARE THREE PERSONS IN THE GODHEAD, THE FATHER, THE SON & THE HOLY GHOST, & THAT THESE THREE ARE ONE GOD. YOU BELIEVE THAT FOR HIS OWN GLORY, GOD CREATED THE HEAVENS & THE EARTH & ALL THINGS THAT ARE THEREIN & THAT HE CONSTANTLY UPHOLDS & GOVERNS ALL THINGS. YOU BELIEVE THAT MAN, WAS AT FIRST MADE HOLY & UPRIGHT, BUT THAT BY HIS DISOBEDIENCE, HE FELL FROM THAT HOLY & HAPPY STATE & THEREBY ALL HIS POSTERITY ARE INVOLVED IN GUILT & SIN. YOU BELIEVE THAT JESUS CHRIST, THE ONLY BEGOTTEN SON OF GOD, HATH GIVEN HIMSELF A SACRIFICE FOR THE SINS OF THE WORLD, THAT HE IS THE MEDIATOR OF THE NEW COVENANT & THE ONLY WAY THROUGH WHICH SINNERS MAY RETURN TO & FIND ACCEPTANCE WITH GOD. YOU BELIEVE THAT ALL MEN ARE BY NATURE WHOLY OPPOSED TO THE GOSPEL OF CHRIST & IF ANY BECOME WILLING HEARTILY TO SUBMIT TO IT, IT IS TO BE ASCRIBED TO THE MERE MERCY & SOVERIGN GRACE OF GOD. YOU BELIEVE THOUGH WE ARE JUSTIFIED BY FAITH ALONE, YET BELIEVERS ARE BOUND TO UNIVERSAL HOLINESS & THAT A HOLY LIFE IS THE BEST EVIDENCE OF OUR BEING IN A JUSTIFIED STATE. YOU BELIEVE THAT ALL WHO ARE ONCE UNITED TO CHRIST IN THE COVENANT OF GRACE, SHALL BE KEPT BY THE MIGHTY POWER OF GOD, THROUGH FAITH UNTO SALVATION. YOU BELIEVE THAT BAPTISM IS A SIGN OF THE BELIEVERS FAITH & A SEAL OF THE EVERLASTING COVENANT, APPLICABLE TO BELIEVE AND THEIR CHILDREN. YOU BELIEVE THAT THE HOUR IS COMING, WHEN ALL THAT ARE IN THEIR GRAVES, SHALL HEAR THE VOICE OF THE SON OF GOD & SHALL COME FORTH; THAT EVERY MAN SHALL BE JUDGED ACCORDING TO THE DEEDS DONE IN THE BODY, THAT THE WICKED SHALL GO AWAY INTO ENDLESS PUNISHMENT AND THE RIGHTEOUS INTO BLIFE ETERNAL. DO YOU THUS BELIEVE?

THE COVENANT: YOU DO NOW, UNDER AN AWFUL SENSE OF THE CORRUPTION OF OUR NATURE & THE MANIFOLD TRANSGRESSIONS WHICH YOU HAVE COMMITTED AGAINST GOD IN THE COURSE OF YOUR LIVES, PROFESS UNFEIGNED REPENTANCE FOR ALL YOUR SINS. TRUSTING IN THE MERCY OF GOD, THROUGH CHRIST, YOU DO, ALSO IN THE AWFUL PRESENCE OF GOD & BEFORE ANGELS & MEN, SOLEMNLY & RELIGIOUSLY GIVE YOURSELF UP & ALL THAT YOU HAVE & ARE TO THAT GOD, WHOSE NAME ALONE IS JEHOVAH, THE ONE ONLY TRUE & LIVING GOD; AVOUCHING THE GOD & FATHER OF OUR LORD JESUS CHRIST, AS YOUR GOD & FATHER, THE LORD JESUS CHRIST HIS SON AS YOUR PROPHET, PRIEST & KING & THE ONLY MEDIATOR OF THE COVENANT OF GRACE; & THE HOLY GHOST AS YOUR ALONE SANCTIFIER & COMFORTER, PROMISING TO TAKE THE WORD OF GOD AS YOUR ONLY RULE OF FAITH & PRACTISE; ENGAGING TO WALK TOGETHER WITH THIS CHURCH IN ALL MUTUAL FORBEARANCE, WATCHFULNESS & ADMONITION & IN ALL THE DUTIES OF SOCIAL & DAILY SECRET WORSHIP & ENGAGING EACH OF YOU WHO IS, OR IN THE PROVIDENCE OF GOD MAY BECOME THE MASTER OF A FAMILY TO MAINTAIN THE DAILY RELIGIOUS WORSHIP OF GOD IN YOUR FAMILY, EXERTING YOURSELVES TO BRING UP ALL COMMITTED TO YOUR CHARGE, IN THE NURTURE & ADMONITION OF THE LORD SUBJECTING YOURSELVES TO THE COMMANDS & INSTITUTIONS OF THE GOSPEL (ACCORDING TO THE BEST OF YOUR KNOWLEDGE OF THEM) & TO THE GOVERNMENT OF CHRIST, PROMISING DULY TO ATTEND THE SACRAMENTS & ALL OTHER ORDINANCES WHICH CHRIST HATH INSTITUTED IN HIS WORD & COMMANDED TO BE KEPT BY HIS PEOPLE, ALWAYS DEPENDING ON THE AIDS OF DIVINE GRACE TO STRENGTHEN & ENABLE YOU TO FULFIL THESE ENGAGEMENTS. DO YOU THIS ENGAGE?

OHIO PATENT MODELS

*Bret Farnum

In THE REPORT, 22:4:193, an article was presented concerning the CLIFF PETERSEN COLLECTION, and their attempt to provide information about, and permanent homes for, the patent models from the 1800's. Recently, a new updated list was sent to OGS, of all the models in the collection which had been submitted to the U.S.Patent Office by Ohioans. They are attempting to sell these interesting creations of inventors, and are looking for historical socities, museums, and relatives of the inventors which might be interested in purchasing the items.- The list is 22 pages in length, (unalphabetized) with each page containing about 80 names, far too extensive for us to publish.

The list contains Patent number, inventor, name of invention, city and state, condition, research on the item, its valuation, and remarks. No dates appear with the entries, but all are 1800's. To give our readers an idea of the type of information available, the following list has been created for those from Columbiana County.

Further information is available for an SASE from the CLIFF PETERSEN COLLECTION, 2444 Wilshire Blvd., Suite 400, Santa Monica CA 90403. They also seek information ABOUT the inventors.

The entire series was never completed. Mrs. Burch supplied the copy to OGS.

OLD FOLKS INTERVIEWED

JANUARY 4, 1875, NO. XXXVI

SAMUEL TAYLOR

The name of TAYLOR designates several families in Pike County, which are no kin to me, that I know of, while those who are kin to me are not numerous.

My father was a native of Philadelphia, Penn. His name was Levi. His father came from England, was named John. The latter was a colonel in the revolutionary war. Father was born in 1780. He was a cooper by occupation which he learned in Philadelphia. He married early, say when he was only about seventeen or eighteen years of age, ELIZA SORRELL, an only daughter of wealthy parents. They had one son, Levi.- His mother died; his grandfather SORRELL took him to raise, and father left Philadelphia. He then came to Pittsburg, Penn., set up in business, and made money rapidly. When not far from twenty-one years of age, he married for a second wife, RACHEL DONALDSON, widow of WILLIAM DONALDSON. She had five children by DONALDSON. Her maiden name was SNOOK. By her, my father had seven children, viz: Phillip, Abner, George, Samuel (myself), Isaac, Thomas and Jeremiah, all boys. He lived there about 15 years, when he "pulled up stakes", as the saying is, and came to Marietta in this state. While after he set up a cooper shop 12 or 13 miles up the Muskingum river, and made barrels for RUSSELL & BARKER'S distillery. He did not stop there a great while, for he moved to Portsmouth in 1817. He remained there but a short time, and then moved up the Scioto to the old MILLER place and worked making barrels for JOHN W. MILLER, father of the late ABRAM F. MILLER. Father was an ingenious mechanic, and built a grist mill on Miller's run for JOHN W. MILLER'S brother ABRAM, on the farm, now known as the DUGAN place. He was assisted by a MR. REECE, who came from Marietta with him. It was a "wet mill"; that is, it could only be used in seasons of the year when water was plenty. In the fall of 1817, my mother died, leaving 6 children, Phillip having died in Pittsburg with smallpox. Soon after my mother's death we children were scattered.

Abner went to live with his uncle, WILLIAM MOORE, who married a sister to my mother. Abner afterwards went to Indiana, and then to Iowa, where he now resides. He marryed MARY WYMORE, by whom he had 12 children. He is now living with a second wife.

George died with a fever a short time after my mother.

Isaac was put out to HENRY BRAMBLE, tavern keeper at Piketon, who built the house now known as the NESSLER stand, with whom he remained some 9 years, when he went to Cincinnati, where he learned the carpenter trade. He married twice and had a number of children. He now resides in Indiana, or did, the last account I had of him.

Jeremiah was taken first, by a woman on the west side of the river, and afterwards by uncle JOHN SNOOK, who lived on Lick, near Wheelersburg, who raised him. Jeremiah lived in Webster, Scioto County, and married a sister to JUDGE SEARLE of Portsmouth. He now resides in Iowa.

Thomas and I were taken by the late LLOYD HOWARD, who resided on the place now owned by C.W.BAILEY, near me. Thomas lived with him until he was about 17 years of age, then lived around this vicinity, working for others till he married JULIA VULGAMORE. He afterwards settled where his widow now lives, in Campcreek township. They had 9 children. He accidentally shot himself in May 1861, and died from the effects of the wound.

I lived with MR. HOWARD till I attained my majority, when I took a trip to Natches, Mississippi, in company with JOHN VULGAMORE & ASHER HOWARD in 1833. They both died of cholera, at Montgomery's Point, near Cypress Bend. WILLIAM JOHNESTON was captain of the boat, and DAVID LAWSON & I were hired hands. After the death of the owners the captain took charge of the cargo, and disposed of the same before we reached Natchez. But we had to go to that town for the money. I was also attacked with cholera, at the same time VULGAMORE & HOWARD were, took buckeye, which I had along with me for the cramp colic, and got well. I also gave a dose of it to ASHER HOWARD and it help him, but he took a relapse & died.

On my return home, I worked awhile, made a trip or two to Cincinnati, and married in January 1834, MARY STEWART, daughter of WILLIAM STEWART, and sister to JOHN STEWART of this (Scioto) township.

I began married life on land on Howard run now owned and occupied by ROBERT H. McAULEY, half a mile below where I now reside. I tended the land on the bottoms, for a number of seasons. In 1844, I sold the McAULEY place to C.H.-BAILEY, who afterwards built a saw mill on the run. I purchased 160 acres on Salt Creek, about half a mile beyond McAULEYS and lived there till I moved on to my present place of residence.

My wife Mary and I had nine children, viz:

1. GEORGE W. born Oct.15, 1834. He married REBECCA J. JOHNSON, daughter of J.OAKEY JOHNSON of Scioto County.- They had 6 children & live in Logan Co., Ill.
2. JOHN S. born Dec.7, 1835. He married SARAH J. PETERS, daughter of DRUCILLA PETERS. They have had 6 children, and reside in Keokuk Co., Iowa.
3. ELIZABETH, born July 30, 1837 & died Sept.25, 1843.
4. RACHEL, born Dec.25, 1838. She married SAMUEL SLAVENS, a true patriot, who lost his life in the service of his country. He was hung, in 1862, by the rebels at Chattanooga, for seizing and running an engine over the railroad in possession of the rebels, though he was in the service of and under orders from a military commander of the United States, General MITCHELL. They had 3 daughters. My daughter owns & resides on the Salt Creek farm I formerly lived on.
5. SARAH H., born Jan.1, 1841. She married CORNELIUS L. GORDON by whom she had 5 children. They live in Adair County Missouri.
6. ABNER, born Aug.30, 1843. He was killed at the battle of Resaca GA, May 15, 1864.
7. JULIA, born in 1845 & died between 2 & 3 yrs of age.
8. THOMAS, born Dec.25, 1847. He married MARY CATHERINE TALBOTT, Oct.1, 1874. They are still with us, not his brother, as the types had it in your last, in the TALBOTT genealogy.
9. SAMUEL, born Apr. 28, 1850. He died when about 3 mo old.

My wife died May 11, 1850.

I married May 21, 1851, ABIGAIL GASTON, widow of JOSEPH GASTON. Her maiden name was DEWEY. We have had 5 children, viz:

1. ROSEANNA, born Mar. 10, 1852. She is at home.
2. MARY C., born Oct.1, 1853. She married WILLIAM L. TALBOTT, Oct.19, 1871. They have 2 children & reside on the Talbott homestead in Scioto Township.
3. EMMA C., born Nov.22, 1855. Lives with us.
4. WILLIAM L., born May 9, 1857. He lives at home.
5. ELLA, born Nov.4, 1859. She died Oct.7, 1863.

My mother was the daughter of a Hessian by the name of SNOOK, who was hired out by his sovereign with thousands of others, to fight a young nation struggling for its independence. He deserted the British flag. Many Hessian soldiers deserted as her father did. He rose to be a major in the United States Army.

Unfortunately, I know but little concerning any of my grandparents, or relatives by the name of TAYLOR, though I

was assured by my father that they were numerous. He claimed to be a cousin to the late ZACHARY TAYLOR, president of the United States. My father married a third and fourth time but had no children by either wife. His third wife was the widow of MR.REECE, spoken of above. After my mother's death, he went west and carried on business in St.Louis, Mo., and went as far up the Mississippi River as Prairie du Chien. After wandering some years he returned to Scioto Tp. and very much astonished us, for we had heard that he was dead, and believed he was. He informed us that he had been dead. He was put into a coffin, and was awaiting burial when he came to. He scared the attendants beyond measure. He was affected with pleurisy in the head and recovered to live some years. After his return, he related the circumstance of his death, as he called it. He says he went to heaven. On the way he was accompanied by 41 other persons. They went in procession, two abreast. When the head of the procession reached a certain point, the two foremost were plunged down a precipice, those immediately behind being conscious of the fall of those before them. So they marched and fell, till 40 were engulfed in the yawning abyss, and he and his companion were about, as they supposed, to follow in the footsteps of their predecessors and shrank from their dreadful fate. Just then the one having charge at the end of the line spoke in kindest words, and assured them that they should not be harmed, when they were transferred across the deep, dark, hideous gulf and transported to the elysian realms beyond. But he was not permitted to remain there long, came to himself, and on complaining of his head the physician determined the disease he was afflicted with, and applied a remedy. He came to life, and his senses, and returned to Scioto Township.

In telling his story, my father often iterated to me that he would yet meet his companion to the elysian fields of glory. And a little while before he met DR. WAITE, who was an entire stranger to him in the flesh, never having met my father before, who explained to him their pleasant experience in the abodes of the blessed. But the doctor was entirely oblivious of the circumstances.

My father died on the 30th day of May, 1848, aged 68 years.

MUSKINGUM COUNTY, RICH HILL TP., EARLY INSTRUCTION

*Teresa L.M.Klaiber, C.G.R.S.

County history intertwines with pioneer individuals as they develop their lives. Consequently, communited related documents are often filed with individuals who were involved with important actions of their times. ABRAM WARNE, Rich Hill Tp., Muskingum Co., was one such person. He was active on various committees involving the growth of his newly developing township. Because WARNE handled certain financial agreements in the neighborhood, the following documents, showing the development of education in the area, were filed in his administration, case #1257, Probate Court Muskingum County Ohio, 1834 (Administration book A p329). Original spelling has been preserved.

"We the subscribers agree with JOHN MOORE to teach a school for the term of three months of which time the said MOORE is to have one half the Saturdays to himself. The said MOORE engages to teach a regular school under the directions of ELIJAH BALL, LEWELLEN PEAIRS & ISAREAL ROBERTSON who is appointed committee for said school, in the branches of Reading, Writing and Arithmetic to the best of his abilities. For which we the subscribers promise to pay the said JOHN MOORE on his order the sum of one dollar and fifty cents per each scholar in cash on or before the tenth day of March next. The said employers is to find the school in a suitable house with plenty of fire wood chop't at the door.

"For the full and true performance of these presents we have hereunto set out hands this third day of December one thousand eight hundred and ten. [Signed] JOHN MOORE, ELIJAH BALL, WILLIAM HERRON, ABRAM WARNE, LEWIS PEAIRS, ISRAEL ROBERTSON, LEWELLEN PEIRCE, HENRY SHEANER. October 23th 1836 this day settled."

Education and religion were the sustaining forces in the pioneers' life, just as they are today. Often music was used to express oneself both in the school and in the church.

"Whereas we believe it will be usefull that us and our children be aquainted in Church Music for the purpose of singing praises we therefore covenant and agree with JOHN MOORE to teach us the under named subscribers in that art to the best of his knowledge and for every schollar we agree to pay the said MOORE fifty cents in cash for one quarter or thirteen nights or sixty two and a half cents in trade. We the said schollars ingages to be in subjection to the rules the said MOORE adopts in the school and to behave ourselves in a decent and comly manner. The above named cash or trade to be paid at the expiration of the school.- The place of meeting to be at the school house near ABRAM WARNES or some central place where a majority of the schollars may direct the school to commence on the next Thursday night November 28th, 1810. The following news items are taken from various Morgan County newspapers, with the title and date following each item.

JAMES A. McCONNEL

On Sunday morning last (Nov.19th 1871) JAMES ADAMS McCONNEL, only son of the late GEN. ROBERT McCONNEL (the original proprietor of McConnelsville) died at his residence in this place, in the 50th year of his age. The deceased was born in Muskingum Co OH, (where his father first located after leaving Franklin Co PA, his place of nativity) but has resided here since he was six years of age, his father locating here in 1828. Early in life the business career of the deceased began, and ended only with his death. His father died when he was but 19 years of age, leaving what was in those days an immense estate, the control and direction of the greatest portion of which devolved upon him as soon as he attained his majority. This business life, though not characterized by the energy and economy that many of our men of means put forth, was one of more than the average success, and results in his leaving an estate of double or treble the value he received from his father. In point of character, Mr. McConnel possessed many highly estimable traits. Being strictly honest, he despised anything that savored of dishonesty, and his word was as good as his bond wherever he was known. While he was not a man to be familiarly approached by every one, yet his attachments to those with whom he was familiar knew no bounds. In a word, he would have nothing whatever to do with one with whom he was displeased, and could not do too much for one that he esteemed. His displeasure and esteem, too, were not brought forth by mere petulant fancies, but they were the result, generally, of some good, substantial cause. In his charities, though never ostentatious, yet he was always liberal, giving all his life to many of the poor of the community in a way that the recipients themselves, seldom felt the obligations they were under. We fear that many needy ones will feel the loss of the helping hand that he so generously extended to them for so many years, but which the demands of nature has rendered powerless. In point of public spirit, Mr. McConnel was putting forth a generous portion at the time death overtook him; and, had he lived, he would undoubtedly have contributed largely, both of means and his time, toward placing McConnelsville, and Morgan County, in a prosperous condition relative to improvements in all branches of personal industry, as well as those of a public nature. For years past he took great interest in the pursuits of farmers and live stock raisers, and spent largely of his means in endeavoring to make these callings more lucrative to our people, by introducing new grains and improved breeds. The last few months of his life were characterized by his efforts to consummate the idea of constructing the Eastern Ohio Railroad, to which object he was the heaviest contributor in this locality, if not along the entire line. At the recent meeting held at Senecaville, he was elected one of the Board of Directors of the railroad. The death of Mr. McConnel casts a gloom over the entire community, and will be felt in all conditions and circles of our people. He was universally esteemed as an honorable, high minded gentleman, with as few faults as good citizens are usually afflicted with. His death was unexpected, being sick but a short time, although we suppose his system had been gradually giving away for some years.- His funeral, on Tuesday afternoon, was largely attended by his numerous friends, Rev.C.W.COURTRIGHT conducting the services. (McConnelsville Independent, Fri. 24 Nov 1871)

NIMROD A. COMBS

NIMROD A. COMBS died Monday at Bristol, aged 88 yrs. Our readers well remember the account in the Democrat of Nov.22nd, 1901, of the oldest twins in Ohio, Mr. N.A.COMBS AND MR. B.H.COMBS. We gave a picture of these twin brothers at that time. They were born in Loudoun Co VA, Jan. 12, 1815 and were members of a family of 10 children born to ROBERT & NANCY COMBS. In 1825 the family came to Morgan Co. and settled in Manchester Tp. on a farm still occupied by B.H.COMBS, the surviving twin brother. In Aug 1838 the deceased married MARGARET SEALOCK, better known as Peggy, who departed this life 28 Aug 1895. To them were born 4 children, all living as follows: BURR H., WILLIAM, JOHN, and SUSAN CLAYBURN. He deceased was a member of the M.P.Church.- Funeral was held Wed. at the Reinersville M.P.Church conducted by Rev.E.A.SMITH of McConnelsville, interment in the Reinersville Cemetery by the side of his wife. (Morgan Co. Democrat, 17 Apr 1903)

MOUNTVILLE NEWS

The venerable DR. DENNIS NEWTON was buried in the Bishopville Cemetery on the 24th inst by Bishopville Lodge No.470, F & AM, funeral services conducted by Pickens. Dr. Newton was in his 80th year. (see next)

WM. WELLS, for many years a resident of this place, died at Hollister and was buried in Mountville Cemetery on the 24th inst, funeral services by Elder STEWART of Glouster. He was in his 65th year and a brother of the late ADAM WELLS. A curious feature of the deaths of the above gentlemen is that they died near the same hour of the same day, both buried at the same hour of the same day, and both being the grandfather of HENRY NEWTON'S daughter. Many of us, as we reach retirement age, want to travel to those parts of the country where our families lived. Maybe we just want to see the cemetery where great-grandpa is buried, but we're always hoping we'll find just a little more information, a few more dates to add, and maybe a few more names. I've been lucky enough to have had some of these experiences and wanted to share some ideas with others.

First of all, be prepared. Take with you those family group sheets pertaining to the area. Also, prepare a list of possible questions, places to go, and what you hope to find.

The cemetery is a good place to start, but which one? One little town where we stopped in Connecticut had 23 cemeteries! You may need to check cemetery listings first. We once had to go to the bank to find the cemetery records! Thank goodness for all those who have labored to record old headstones, as sometimes this is the only record. If the cemetery is a large one, you may need the help of employees for locations. You may also discover people who do not have headstones, from office records. Don't give up if you don't find your family listed in that book in the library!

There are some other possibilities. My great grandmother is buried beside her first husband, though in the record she is listed by her second husband's surname. My husband's great grandmother is listed on the headstone with her husband, but she is not in the record. She may be buried elsewhere. We found another set of great grandparents, but no headstone. After a family conference, one is now in place. Remember that in old cemeteries, grave markers may be buried under grass & leaves, so try a little scratching around, being careful of poison ivy! If you have a death certificate, it should list where the person is buried. Sometimes you may be able to get information from the mortuary, though this is usually true for only the last 50 years.

There's another point when you are looking in a big city. We were in Los Angeles looking for my grandmother's grave. We drove by Forest Lawn Cemetery and I was sure that was it. It turns out there are <u>six</u> Forest Lawn cemeteries in different sections of that city! I later discovered it was Woodlawn Cemetery. After finding that one, we had no luck, but found that there was another of the same name, nearby. We found the records in a book which was falling apart & tossed into a drawer. Remember too, that large cemeteries with offices are generally open only on working days.

While in one cemetery, looking around, we found the great grandparents, AND her sister & husband, and her parents. Of course they had different last names, but don't forget to check the headstones in close proximity. Have your camera with you to take pictures. Try angle shots, and in the shadows, use the flash.

The next stop on the trip is the court house. Try to choose a time that isn't too busy. You will want to check probate records for wills and intestate

records, or perhaps guardianship records. Land records & property transfers should go back to the beginning of the county, and you may be able to visit the locality where your families lived. There may also be records of births, deaths and marriages. You should obtain COPIES of these records while you are there.- Remember to check similar or variant spellings.

Be sure you know if that was the original county, or if it was formed from another one. A little homework ahead of time concerning counties is very helpful. To westerners, a county may be 300 miles long and 200 miles wide, the townships being numbered. Many states back east and in the midwest have counties 15 miles square, or townships 6 miles square. In New England, records are kept in the TOWN... often equivalent to townships in the midwest. Don't give up, and don't be afraid to ask.

Before you leave an area, stop at the libraries; you may find printed materials you didn't know existed. You might check to see if there is a collection of old newspapers at the library or newspaper office. If there is a genealogical society in the area, try to visit some of the members. Be prepared to leave copies of your family group sheets; they may help others later on. In the evening before retiring, write down what you did, and what you found or didn't find... you may forget later!

Check on the location of the state historical society, state archives, and state genealogical societies, and take time to visit.

Anyone planning a trip in the west must make time to go to Salt Lake City to visit the Family History Library. No matter how much time you allow, it's never enough!

One thing I have mixed feelings about is whether or not to call unknown people in the phone book who have your family name. Once we were lucky and found an elderly lady we went to visit. She was the one who helped us to make the connections, telling us of middle names and nicknames used by family members.- Another time, I found out later that a cousin was right next to the library where we had been.

One last thing that has been most rewarding for us, has been to visit distant cousins, some I'd never met, and others I hadn't seen in 50 years. They've all been wonderful people.After sharing family information, ask if they have old family pictures. Maybe they'll have some you recognize and they'll be able to identify them for you. Be sure to have your camera and tripod, using black & white film, so you may get copies of pictures you don't have. You'll probably also make lifetime friends, and have interesting family reunions in the future.

In our travels, the best bumper sticker we saw was in Salt Lake City:

"I THINK THAT I SHALL NEVER SEE A FINISHED GENEALOGY"
